

**Facilities and Equipment  
Management  
Policy No. 407**

## **Clean Air**

**Approved: May 12, 2022**  
**Resolution No. 22-66**

- A. Purpose. The Board of Commissioners adopts this policy to provide clean air for all employees and occupants of County facilities. In compliance with the Public Health Code, Ogemaw County shall make a reasonable effort to prohibit individuals from smoking in and around its facilities (MCL 33.12603(1)).
- B. Smoking Prohibited. Smoking and vaping shall be prohibited in County-occupied work areas and public spaces including conference rooms, reception areas, hallways, work stations, private offices, vehicles and the correctional facility. Designated smoking areas shall be determined for each County-occupied building upon approval of the Building Inspector. Otherwise, smoking/vaping shall not be permitted within 50 feet of any exterior wall or entrance of all County buildings.
- C. Implementation. It is intended that this policy shall be carried out in a cooperative manner. However, should any disputes arise, they shall be brought first to the County Administrator for resolution. Appeals of a decision of the County Administrator shall be heard by the Board of Commissioners at a public meeting.
- D. Building Entrances. Smoking is banned in building entrances of County-owned and occupied buildings.
- E. Enforcement. Any employee or appointed official who violates the provisions of this Policy shall be subject to disciplinary action up to and including discharge.
