CIVIL COURT
Motion Days

Motion days are typically scheduled once a month on a Thursday; however, this may be changed at the Court's discretion. Motion days also include any and all hearings pertaining to 34th Circuit civil cases, not strictly motions. You must contact Kacy Hinkley at 989.345.3560 for a date/time before filing any motions. Additional motions may not be added without prior approval. When filing motions, a Judge's Copy must be included, as well as a copy of the Notice of Hearing. Ogemaw County does not require a praecipe.
