RE: 2019 Apportionment of Tax Rates

Dear Commissioners:

The Ogemaw County Equalization Department has prepared a statement of millage rates to be spread for the 2019 tax year as requested by the several taxing jurisdictions that levy a tax within the County of Ogemaw. The statement (old Form L-4402) which summarizes the compiled tax rates will be filed electronically with the State Tax Commission.

Each taxing unit requesting the levy of a millage has submitted the required L-4029 form certifying compliance with MCL 211.37 which states in part:

"At the annual session in October, the county board of commissioners shall not authorize the levy of a tax unless the governing body of the taxing jurisdiction has certified that the requested millage has been reduced if necessary, in compliance with Section 31 of Article 9 of the State Constitution of 1963"

It is my recommendation that the 2019 apportionment of tax rates be adopted as presented in the accompanying statement.

Respectfully submitted,

James (Randy) Booth, MAAO (3)

Director of Equalization
Ogemaw County

Attachment:

p.s. The Ogemaw County Equalization Department has not received all of the special assessment information from the townships. The Millage levy recap provided for your review includes both current special assessment information and estimated information from last years requested special assessments.

Resolution

10-3-#5

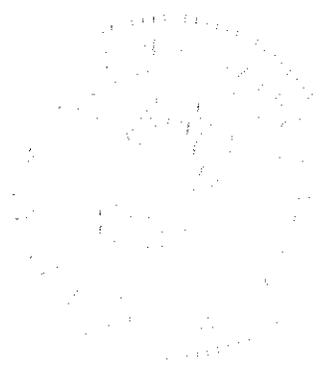

WHEREAS: The Ogemaw County Board of Commissioners has the duty, in its' October annual Session, to do the following in accordance with 211.37 of the Michigan Property Tax Laws; and

WHEREAS: These requirements are as follows:

Sec. 37: The County Board of Commissioners, at its annual session in October in each year, shall ascertain and determine the amount of money to be raised for County purposes, which determination and apportionment shall be entered at large on its records. It shall also examine all certificates, statements, papers and records submitted to it, showing the moneys by any taxpayer to be affected thereto. If it shall appear to the Board that any certificate, statement, paper, or record is not properly certified, or that the same is in any way defective, or that any proceeding to authorize the raising of any such moneys had not been had or is in anyway imperfect, the Board shall certify the same, and if the certificate, statement, paper, record or proceeding can then be corrected supplied or had, the Board shall authorize and require the defects or omissions of proceedings to be corrected, supplied or had. It may refer any or all the certificates, statements, papers, records and proceedings to the Prosecuting Attorney, whose duty it shall be to examine the same and without delay, report in writing his/her opinion to the Board. It shall direct that such of the several amounts of money proposed to be raised for township, school, highway, drain and all other purposes as shall be authorized by law, be spread upon the assessment roll of the proper townships, cities and villages. Such action and direction shall be entered in full upon the records of the proceedings of the board, and shall be final as to the levy and assessment of all such taxes, except when there is a change made in the equalization of any county by the Board or State Tax Commission upon appeal in the manner provided by law. The direction for spread of taxes shall be expressed in terms of millage's to be spread against the taxable values of properties and shall not direct the raising of any specific amount of money. This section does not apply when Section 36(2) applies; and

WHEREAS: The Ogemaw County Board of Commissioners has caused the above to be thoroughly checked for statutory requirements;

THEREFORE, BE IT RESOLVED: That the following county millage's shall be levied on the 2019 taxable value of real and personal property 2019 assessment rolls of each township, cities and villages within the County of Ogemaw:
