RE: 2020 Apportionment of Tax Rates

Dear Commissioners:

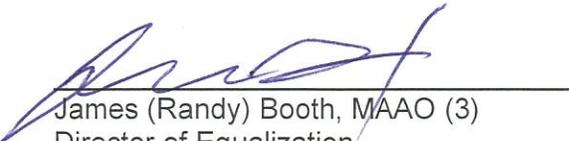

The Ogemaw County Equalization Department has prepared a statement of millage rates to be spread for the 2020 tax year as requested by the several taxing jurisdictions that levy a tax within the County of Ogemaw. The statement (old Form L-4402) which summarizes the compiled tax rates will be filed electronically with the State Tax Commission.

Each taxing unit requesting the levy of a millage has submitted the required L-4029 form certifying compliance with MCL 211.37 which states in part:

"At the annual session in October, the county board of commissioners shall not authorize the levy of a tax unless the governing body of the taxing jurisdiction has certified that the requested millage has been reduced if necessary, in compliance with Section 31 of Article 9 of the State Constitution of 1963"

It is my recommendation that the 2020 apportionment of tax rates be adopted as presented in the accompanying statement.

Respectfully submitted,

James (Randy) Booth, MAAO (3)
Director of Equalization
Ogemaw County
