RE: 2021 Apportionment of Tax Rates

Dear Commissioners:

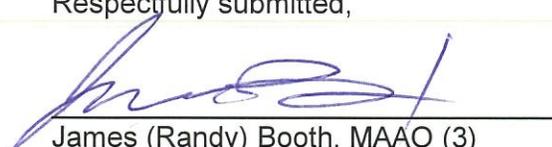

The Ogemaw County Equalization Department has prepared a statement of millage rates to be spread for the 2021 tax year as requested by the several taxing jurisdictions that levy a tax within the County of Ogemaw. The statement (old Form L-4402) which summarizes the compiled tax rates will be filed electronically with the State Tax Commission.

Each taxing unit requesting the levy of a millage has submitted the required L-4029 form certifying compliance with MCL 211.37 which states in part:

*"At the annual session in October, the county board of commissioners shall not authorize the levy of a tax unless the governing body of the taxing jurisdiction has certified that the requested millage has been reduced if necessary, in compliance with Section 31 of Article 9 of the State Constitution of 1963"*

It is my recommendation that the 2021 apportionment of tax rates be adopted as presented in the accompanying statement.

Respectfully submitted,

---

James (Randy) Booth, MAAO (3)  
Director of Equalization  
Ogemaw County
