County of Ogemaw— Administrator \Controller

The Ogemaw County Board of Commissioners is seeking an experienced individual to be its next Administrator/Controller.

Responsibilities:

The Ogemaw County Board of Commissioners is seeking an experienced manager and leader to work with as a team member, supporter, and trusted advisor. The next County Administrator/Controller will work closely with the Board to implement its priorities and policies. The individual will have a solid working knowledge of Michigan County Government and state-mandated accounting practices. The Board understands that it should set policy, while the Administrator/Controller should run the day-to-day operations. The ideal candidate must have demonstrated experience working successfully with a Board to establish a vision, identify goals, and collaboratively chart a course for the future.

Ogemaw County operates on an \$11.28 million general fund budget, and its restricted fund budgets total \$6.98 million. It has 81 full-time and 28 part-time employees with five unions.

Qualifications:

A bachelor's degree is required, but a master's degree is preferred for this position from an accredited four-year college or university, with major coursework in public administration, business administration, accounting, or related fields. Desired qualifications include at least 3 years of direct county government experience or 5 years of equivalent Board experience in a similarly sized organization. Extensive knowledge of Michigan laws related to county government and accounting.
